

MEDICARE COMPLIANCE

Assisting You in Navigating the Medicare Maze

MEDICARE COMPLIANCE

Our compliance team has more than 20 years of industry experience handling complex workers' compensation, personal injury, and Medicare compliance matters. We are here to assist you in navigating the complex and confusing Medicare maze.

Effective Medicare Secondary Payer compliance raises many challenges. These include questions on the following areas:

- » WCMSA submission / non-submit
- » Below threshold cases
- » Requirements for \$0 allocation
- » MSA reductions on non-workers' compensation set-asides
